# COMMERCIAL PRESSURE WASHING & more!

## Clean & fresh exterior surfaces

say a lot about your business. Don't let ugly, stained or gum-covered concrete, stone or brick surfaces ruin the beauty and professionalism of your commercial property.

**Pressure Washing & Steam Cleaning** for all types of flat surfaces is our specialty. We use **3500psi** and **240-degree steam** to restore concrete & more!

### We safely remove:

- Traffic stains
- Dirty, grimy buildup
- Oil & grease stains
- Chewing gum
- & much more!

### From many surfaces:

- Sidewalks
- Entrance areas
- Drive-thru lanes
- Parking garages
- & many more!

## Keeping a clean building exterior

is vital to making good first impressions of your business. We safely clean buildings using **adjustable pressure** to wash away unsightly dirt, bird waste, and debris.

**Graffiti removal** from all non-painted surfaces is a service we are known for. Spray paint tags, felt pens, stickers, and tags on glass are completely removed!

### Additional services:

- Gutter cleaning
- Window cleaning
- Awning cleaning
- Roof cleaning
- & more - **we clean it all!**

## Complete property maintenance

covers a full range of cleaning and sanitizing services. **Dumpster pad & grease trap area** steam cleanings are just a couple examples of our comprehensive offerings.

These commercial property maintenance services are an important part of keeping a completely clean business all year round!

- Dumpster Pads
- Grease Trap Areas
- Parking Lot Sweeping
- Shopping Cart Sanitizing
- Restroom Sanitizing
- & much more - **just ask!**

## Regular Maintenance Programs

for any of our services are available! No need to constantly set up appointments with multiple vendors - **we do it all!**
